Please check your contract terms.**
- II. Verbal instructions to amend or cancel a membership cannot be accepted without the appropriate written and signed form and a minimum of one months notice given.

- III. Cancellation of your direct debit instruction is not accepted as a request to terminate your membership.

- V. Membership is non-refundable and non-transferable. Exception: Platinum membership is transferable.
- VI. B) LIMITED RIGHT TO CANCEL FOR THOSE MEMBERSHIPS THAT REQUIRE 'PAYMENT IN FULL'

During the contract period of 12 months or more you may cancel the contract only for the following reasons that prevent you from using the club facilities:

- I. Suffering from a medical condition (this does not include pregnancy, but does include a medical condition that arises during pregnancy); An appropriate medical practitioner must provide written evidence that this is so.
- II. Loss of your employment or you are declared insolvent; You must produce documentary evidence to support this.
- III. You are being relocated in your employment to a location which is more than 10 miles from a Champneys club; We shall require evidence that such a move has taken place.
- IV. You are moving home to a location which is more than 10 miles from a Champneys club; We shall require evidence that such a move has taken place.
- V. We are satisfied that there has been a change in your personal circumstances, other than those listed above, which means that it is no longer reasonable for you to use your club's facilities or to continue being a member.
- VI. Platinum members are required to transfer their membership if they wish to cancel if they wish to avoid the following cancellation terms.

PAYMENT FOR EARLY CANCELLATION

Annual Payers & 3 or 4 Year Contracts

If any of the forementioned exceptional circumstances apply, we shall be entitled to request reasonable evidence to provide sufficient proof of the exceptional circumstance. The decision as to whether the membership can be cancelled shall remain in our absolute discretion.

- a. If cancelled due to reasons set out in 11 C) I-V, unused membership fees will be given by way of Gift Card and valid for 24 months from issue. The Gift Card can be used towards Champneys Products, Days & Stays.
- b. If you cancel your membership before your membership expires for any reason other than in the circumstances set out in 11 C) I-V, we shall be entitled to keep the remaining unused annual fees.

- c. Please note you will not be able to re-join on any promotional offer within a 12 month period from the date of cancellation.

PAYMENT FOR EARLY CANCELLATION

DD Payers on a Three-Year Agreement

If you cancel your subscription during the minimum contracted period, other than in the circumstances set out above, we shall be entitled to a termination payment (a "Termination Payment").

The Termination Payment will be the sum of:

1. The arrears, if any
2. Any accumulated late payment charges or other charges referred to below that have been or will be incurred.
3. The monthly subscriptions that would otherwise have fallen due before the end of the minimum contracted period.

You will be given credit for early payment and this will be a discount allowed against the total you have to pay. For details of how the discount is calculated please contact DFC who are acting on behalf of Champneys for financial collection.

If you have selected a contract term which is greater than 12 months using Direct Debit payments, you may cancel your contract after 12 months with 30 days written notice but must pay the balance between the highest monthly membership option at the time of cancellation less the amount that you had already paid on the longer term contract. For example, let's say you chose a 36 month promotional price option at £20 per month rather than the Clubs month by month price of £30 per month and then decided to cancel at month 17, you would be required to pay the difference between 18 months x £30 month (£540) less the 17 months at £20 per month (£340) that you had paid. Thus £540 less £340 would mean that there would be a £200 balance to pay.

Giving Notice To Cancel. DFC (The Collecting Agent) will continue to collect your monthly subscription after the minimum contract period. Should you not wish to continue subscribing after the minimum period you must give notice to cancel the contract in the month before the final payment of the minimum period. If you wish to cancel the contract at any time after the minimum contract period you must give one month's notice. The notice should be in writing or by email and sent to the service provider for Debit Finance Collection Plc.

Collecting Your Monthly Subscriptions. Debit Finance Collection Plc ("DFC") is our agent for the collection of your monthly subscription. DFC will collect your subscription monthly in advance, on our behalf by direct debit.
