Olaplex is a bond multiplier containing a single active ingredient, Bis-Aminopropyl Diglycol Dimaleate. Olaplex works by finding single sulphur hydrogen bonds and cross linking them back together to form disulfide bonds before, during and after services. Disulfide bonds are broken via chemical, thermal and mechanical processes. Olaplex is free of silicone, sulphates, phthalates, DEA, aldehydes and is never tested on animals.	
SILKY LOCKS	£50
Revitalise your hair and scalp, restoring its health and vitality with our 'facial' for the hair.
